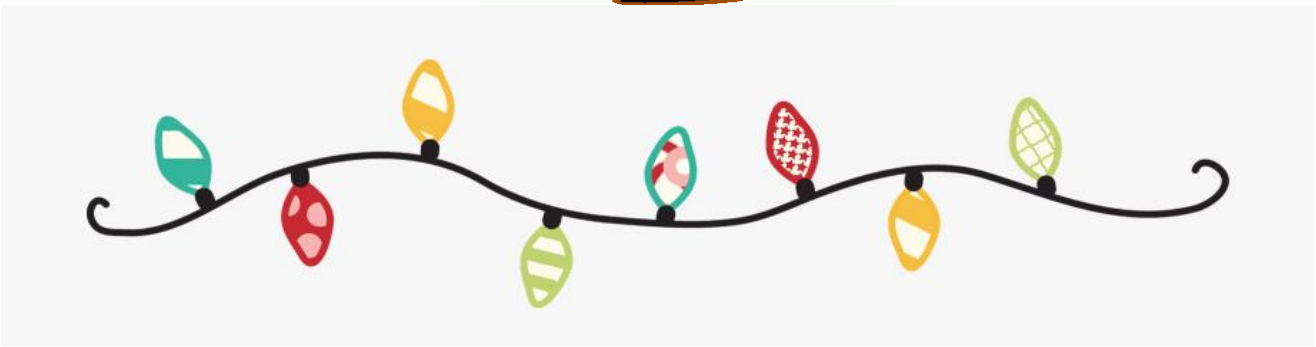
President's Message



Greetings to All!

It hardly seems possible that we are entering the final month of 2022, but here we are. It's been a busy time for the guild with our November fundraisers and preparing for the holiday potluck. At the craft sales, the guild made $1400+, between the two craft sales and raffles for the Southwest Sue opportunity quilt and Janome sewing machine. Thank you to everyone who donated items and/or volunteered your time to help with the sales.

Up Next:

- Upscale Garage Sale - on December 3rd, we are having a garage sale fundraiser with hopes to further reduce our inventory of remaining items from the November sales. We've added fabric and scrap bags to the quilted sale items. See article in this newsletter for details.

- Opportunity Quilt and Sewing Machine Raffle: You still have time to purchase raffle tickets for the quilt and/or sewing machine at the garage sale and the December 15th holiday party. Tickets are $2 each or 3/$5.00. Drawing is December 15th.
- Holiday Potluck – on December 15th, in lieu of a business meeting and program, we will be having a potluck and holiday party. If you didn't get to sign up to bring a dish, just fix your favorite dish to share. Look for the article in this newsletter for more information.
- 2023 President's UFO Challenge (&Fundraiser). Also in this newsletter, you'll find an article which contains information on this fun, UFO-busting event which kicks off on January 1.

The Quilt Show Leadership Committee has been working behind the scenes to further develop the plans for Splendor in the Desert 2023, which will be held in conjunction with Historic Canoa Ranch. It is the perfect time to start thinking about your entry(ies). More information can be found in this newsletter.
It's time to enjoy the holiday season!

Cindy

We would like to welcome our new and returning members this month. We have 116 registered members. If you have a friend who quilts but is not sure they want to join our group, bring them to a meeting. The first time a person comes to "check us out" there is no fee. They just sign up on the guest sheet and indicate they are a first timer. After the initial visit we ask quilters to pay $5.00 per meeting or they can joint for $30.00. As members they get access to our newsletter each month. They pay a member fee for all our fabulous classes. They can become a part of one of our bees. They also have access to all of our website and facebook information. It's a good deal for $30.00 per year.

Charity Bee

Wow....it's the last month of the year already. It's been a busy year for Charity! So far this year, we have donated 128 quilts to Project Linus, 80 quilts to St. Andrew's, 15 twin sized quilts to Hands of a Friend, and 28 quilts to the Veterans/Fisher House. Now that doesn't include the 164 totes with handles and the 52 pillow totes that has gone with some of those quilts. Don't forget about the 750 Christmas stockings that went to Valley Assistance. All of these wonderful donations were because of all your hard work and dedication to Charity.....THANK YOU!! AND the year isn't over quite yet.....

As I mentioned in the general meeting in November, I will be stepping down as the Chairperson of the Charity Bee at the end of this term. I love being involved with charity, but after two years, it is time for someone else and for me to step back. I don't plan on leaving and will be still around to help as much as I can. Please contact either Cindy or myself if interested in the chairperson position. We can work together until April when you would take over....there's some great people to work with and help in the Charity Bee!! THINK ABOUT IT!

REMEMBER.....Charity will not be meeting as a group in December, but we will be taking your wonderful donations that you bring. SEE YOU at the pot-luck!!

Janell Duncan, Charity Chairperson

Round Robin

Round Robin started on August 12, 2022, and will be meeting every second and fourth Friday of each month.

Slow Stitchers Bee

This Bee invites all guild members who enjoy needlework including hand quilting/sewing, embroidery, appliqué, English paper piecing, etc. The Slow Stitchers meet from 12pm -3pm on the first Thursday of each month, at Friends in Deed in Green Valley. Drop-ins are welcome! For more information, contact Cindy Cutsforth, quilter828@yahoo.com

Mod Squad (Modern Quilt Bee)

The Mod Squad meets at 10:00 am the 4th Monday of the month, in person, at Karen Laird's house. (1010 W Bosch Dr, Green Valley). If you would like to get on the mailing list, please send Karen Laird your email to karenlaird@me.com

BOM

Block of the Month, which I call BOM usually meets every fourth Tuesday each month. Thanks to Joan Fahning we meet at the Sunrise Point Club House, 2280 S Cliff Drive. Sunrise Point can be reached from the eastern frontage road, south of Continental Ave. Turn on W. Pecan Grove drive. You can also get there off Abrego on W. Pecan We gather at 1 pm and sew until our block is done, usually a couple of hours. An iron and cutting board are provided. All you need to bring is your sewing machine with all the necessary attachments, thread and material pre-cut as per the pattern.

What do we do with the blocks? How do you get started? What you do with your blocks is up to you. You can buy material specifically for a quilt and make blocks for that. Some of us are using up scrap material. Some of us make charity quilts with the blocks. I make two blocks each time so I can make a quilt for a friend and I can make a charity quilt. If you decide you want to buy material for your own blocks I recommend you buy 5 to 6 different coordinating patterns and colors. I bought 3 yards of two base fabrics and then got 1 yard of two "gotta have, yummy" fabrics (you know the kind). I then got three more 1/2 to 1/4 yards or you could finish off your purchase with fat quarters.

You do not have to join our in-person group but it is a good way to meet other quilters. The pattern is published in the newsletter each month. If you decide to attend the meeting there will be a bonus. In January we are going to start working on a quilt together, trading material and planning to end with an opportunity quilt or/and some charity projects.

Hope to see you all on December 20th for a fun sewing gathering. Bring your own drink please.

Peg Hadley, Co-Ordinator for BOM

Block of the Month Christmas Star

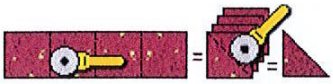
December

Let's hit while the iron is still hot!...and start NEXT years Christmas Quilt NOW, rather than waiting 'til the 2nd week of Dec!!

Here's a 12" block to get us started!

Please abide by the Terms and Conditions of use! :o)

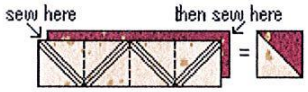
** Preparing the Pieces and Sewing the Block **



First mark and cut one Color 1 2-7/8" x 11-1/2" strip into four 2-7/8" squares, then cut them again on the diagonal to make eight half square triangles...

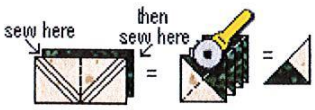
Then mark and cut the Color 2 2-1/2" x 20" strip into eight 2-1/2" squares...

Next mark and cut the Color 3 2-1/2" x 10" strip into four 2-1/2" squares...

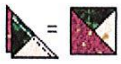


Next speed piece the half squares, by stacking the Color 1 and Color 2 2- 7/8" x 11- 1/2" strips, right sides together and all edges aligned. On the back of the top strip, lightly mark the 2-7/8" square lines and mark the diagonals in the direction shown at left. Now sew 1/4" above and below the marked diagonals, pivoting at the square lines. Now cut apart ON the marked diagonals, and on the 2-7/8" square lines. This will give you eight half squares. Press seam allowances towards the darker fabric. These should measure 2-1/2"...

Repeat this with the remaining Color 2 2-7/8" x 11-1/2" strip and the Color 3 strip of the same size, to make eight half squares...

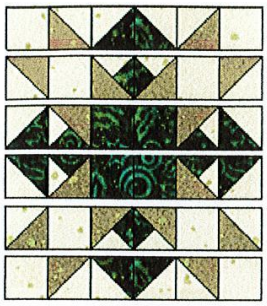


Then stack the Color 2 and Color 3 3-1/4" x 6-1/2" strips, right sides together, and speed piece in the same manner to make four half squares. Cut each of these again on the diagonal to make eight quarter square triangles...

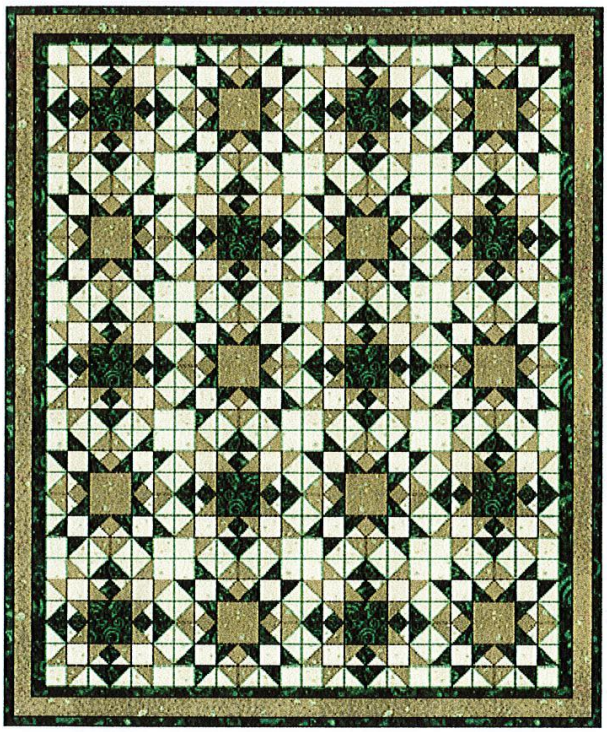


Sew each quarter square triangle to a Color 1 half square triangle. Press seam allowances towards the Color 1 triangle. Trim these back if needed, to measure 2-1/2" square...on to Page 2!

Christmas Star - Page 2



Now piece the block, referring to the diagram at left for placement and direction. Be sure to alternate pressing directions when pressing row seams!



What a wonderful Christmas gift THIS quilt would make, even if we give it to ourselves! :o) I show the quilt here with half the blocks made as I just described...and the other half with Color 1 and Color 3 reversed...

Happy Quilting All!!!

...and I do hope your Holidays are Merry!

SISTERHOOD OF QUILTERS FOR GREEN VALLEY QUILTERS GUILD

Do you like to meet new people? Are you the kind of person who likes to help others? We have a group for you. They are the Sisterhood of Quilters. These gals contact our new members. They help the new members learn about all the opportunities we offer within our guild. It is a 1-to-2-month obligation. When a new member signs up, the membership committee assigns them a sister. If you are their assigned sister, we send an email to you giving you their phone number and email address. We give them your information. We ask that you contact them within the week and introduce yourself. We ask that you answered any questions they might have about the guild, bees or Facebook page. You make sure they are signed into the website. They will already have gotten the password. If possible, you sit with them at the meeting and introduce them to other guild members. With this program we hope all new members feel welcome and have an opportunity to get involved in our guild.

If you are interested in being a sister for the year 2022 to 2023, please text or email me.
